Welcome to Priory Gate

A unique collection of three new homes, each offering 4 bedrooms across three storeys.

Features include open plan kitchen and dining areas, bifold doors, ensuite bathrooms, integral garages, underfloor heating and high specifications.

This rare development offers the opportunity to live in a beautiful new home within walking distance of the historic city of York.

The Marley Homes Difference

The difference lies in our commitment to quality and high standards. We work with trusted local contractors, never outsourcing the site management or control, to ensure every project is managed in-house to our standards and ethos of meticulous attention to detail.

Our passion for high build quality is evident in our core approach to get things right first time.

Additionally, customers who reserve before the roof stage enjoy the opportunity to make personalised choices for their home.

PRIORITY
GATE | FULFORD

York Minster

Priory Gate is situated on Grange Garth, a quiet and tree-lined street in York. The development regenerates land originally belonging to the now converted Priory Hotel that sits adjacent to Fulford Road.

As well as being close to historic features of York such as Cliffords Tower and the City Walls, excellent transport links are available to the A1(M), the main motorway in the area heading North and South, in addition to the well connected York Train Station.

The city of York boasts attractions for all tastes, including ancient Roman history, shopping at the McArthurGlen Designer Outlet, excellent restaurants, gyms and cinemas.

- Plot Three
- Existing Structures & Boundaries
- Site Boundary

Priory Gate truly offers a rare opportunity. City living with green open spaces nearby, tranquil walks alongside the River Ouse, all in an area of York that is known for retaining its village atmosphere and sense of community.

Priory Gate provides the best of both worlds, a peaceful home in a quiet area of York, with a bustling city within walking distance.
